

# 2019-2020 6th Grade School Supplies

**ATTENTION:** It is important that all parents and students know how to login to their ParentVue or StudentVue accounts. This is an instrumental communication tool, which will keep you informed of progress. We recommend this to be checked regularly throughout the school year. Please contact the main office if you need assistance. It is also very helpful if students and parents are able to access Google Classroom at home, as many CMS teachers use this educational tool.

## Standard Supplies

- Plenty of pencils
- Erasers
- Earbuds
- Highlighters
- Colored Pencils
